24" Top Controls, Panel Ready, Built-In Dishwasher, Stainless Tub, 47 dBA, 3rd Rack, ENERGY STAR®

DWDI56310

Key Features & Benefits

Flexible Third Rack
The flexible 3rd rack goes beyond cutlery, offering adjustable sections and removable trays to fit everything from espresso cups to long utensils while still allowing space for tall wine glasses in the upper basket. With height adjustable racks for added versatility, you get convenient loading and increased cleaning space.

Custom Panel Ready
Achieve a seamless look by perfectly matching your kitchen cabinetry to you Custom Panel Ready Dishwasher. Its innovative design allows for a fully flush installation, adding a new level of sophistication to your space.

LED Floor Light Indicator
The LED Floor Light Indicator projects a subtle red beam onto the floor during the wash cycle, letting you know your dishwasher is running. Once the cycle is complete and your dishes are ready, the light turns off—simple and efficient.

Stainless Steel Tub
The Full Stainless Steel Tub is designed for superior durability, resisting hard-water stains, spots, and corrosion while absorbing noise more effectively than plastic tubs. It can withstand the highest washing temperature on the market—75°C—ensuring your dishes are thoroughly sanitized.
